## BOOK SYNOPSIS

This book is a lively exploration of the amazing revelation known to Mormons as the “Word of Wisdom.” It counsels us how and what we should eat to reach our highest potential, both physically and spiritually. New and surprising insights are presented through the perspective of what has been proven to be the healthiest human diet, a way of eating supported both by history and by science: a whole food, plant-based (WFPB) diet. WFPB vegetarian diets have been scientifically proven to both prevent and cure chronic disease, help you achieve your maximum physical potential, and make it easy to reach and maintain your ideal weight. In this book, you’ll find the stories of dozens of people who are enjoying the blessings of following a Word of Wisdom diet, and you’ll get concrete advice on how to get started! You will discover: What we should and should not eat to enjoy maximum physical health. How food is intimately connected to our spiritual well being. Why Latter-day Saints are succumbing to the same chronic diseases as the rest of the population, despite not smoking, drinking, or doing drugs. How the Word of Wisdom was designed specifically for our day. How you can receive the “hidden treasures” and other blessings promised in the Word of Wisdom. Why eating the foods God has ordained for our use is better not just for our bodies, but for the animals and for the earth. You may think you know what the Word of Wisdom says, but you’ll be amazed at what you have missed. Learn why Mormons all over the world are “waking up” to the Word of Wisdom!

### **DISCOVERING THE WORD OF WISDOM SURPRISING INSIGHTS FROM A WHOLE FOOD PLANT-BASED PERSPECTIVE** - Are you looking for Ebook
