BOOK SYNOPSIS

Noted experts provide practical, effective strategies to meet global health challenges. *International Social Health Care Policy, Program, and Studies* presents a collection of papers drawn from the Ninth Doris Siegel Memorial Fund Colloquium that focuses on social work and international health issues, emphasizing an international exchange and cooperation as a crucial facet of meeting global health challenges. Honoring the memory and spirit of social work pioneer Doris Siegel for her accomplishments and advocacy on behalf of social-health issues, this fine selection of scholarly papers explores ideas and strategies from around the world which offer greater opportunity for success for diverse social work and health care problems. Internationally recognized practitioners and academics offer research and case studies illustrating approaches, programs, and policies that any practitioner or policymaker may find helpful. *International Social Health Care Policy, Program, and Studies* closely examines the common ground in social health care problems shared by various countries worldwide. Issues such as the effects of terrorism, academic-practice partnerships in practice research, and the international exchange program are explored, with insightful discussions that explain in which directions to best channel social and health care energies and resources. Helpful figures and tables further explain concepts and research. Topics in *International Social Health Care Policy, Program, and Studies* include: Strength-focused and Meaning-oriented Approach to Resilience and Transformation (SMART) as a model of crisis intervention that uses a holistic view of health outpatient commitment as a delivery system assisted conception and social work needs in the United Kingdom a study on the psychological distress between elderly Israeli residents and immigrant family caregivers impact of prolonged terrorist attacks on children and adolescents in Israel stress experienced by social workers working with terror victims integration of social workers into hospital disaster response teams in Australia academic practice research partnerships for health social workers evaluation of the outcomes from the Mount Sinai Social Work Leadership Enhancement Program discussion of the lessons learned from the 75-year history of health social work in Melbourne, Australia and more! *International Social Health Care Policy, Program, and Studies* is horizon-expanding reading that is perfect for social workers dealing with a global community, social work libraries, educators, students, and libraries of all types.
