BOOK SYNOPSIS

"Christmas, Colorado, will get you in the spirit for love all year long." --- Jill Shalvis, New York Times bestselling author Love is the best Christmas gift of all. Free-spirited activist Skylar Davis is out of money and out of options. After using up her trust fund trying to save the world, she hides out in Christmas, hoping the kindness of friends will help her forget the reckless actions of her past. All goes well . . . until she comes face-to-face with one of her mistakes: the towns gorgeous young mayor. Ethan OConnor likes his life drama-free and predictable now that hes about to make the move from small-town politics to the Colorado State Senate. Then Skye blows back into town, as impulsive and passionate as he remembers. If word ever got out about their night together-the night hes never been able to forget-the scandal could cripple his career. Yet as he starts his campaign, Ethan finds that, like the town of Christmas itself, he cant get Skye out of his head . . . or his heart.
