BOOK SYNOPSIS

Claire is a twenty-something, single mom that grudgingly helps her best friend sell sex toys while she attempts to make enough money to start her own business to give her foul-mouthed, but extremely loveable (when hes asleep) toddler a better life. When Carter, the one-night-stand from her past that changed her life forever, shows up in her hometown bar without any recollection of her besides her unique chocolate scent, Claire will make it a point that he remembers her this time. With Carters undisguised shock at suddenly finding out he has a four-year-old son and Claires panic that her stretch marks and slim to none bedroom experience will send the man of her dreams heading for the hills, the pair will do whatever they can to get their happily ever after. Warning: contains explicit sex, profanity and enough sarcasm to choke a horse.
