BOOK SYNOPSIS

Winning your wife back from emotional or physical separation is more than doing the same things with more intensity. It involves developing a whole new strategy to overcome what seem to be overwhelming odds to attain a come-from-behind victory. In *Winning Your Wife Back Before Its Too late*, Gary Smalley utilizes the following game plan to significantly increase your chances for a "miracle comeback":
Understand "penalty flags" Open a closed spirit Honor your wife and children
Develop sacrificial love Initiate change in yourself Be accountable by joining a support group
Through true stories of previously separated couples, you'll see how the principles illustrated in this plan have been fleshed out in the lives of real people and can lead to a successful reconciliation.
